Lynn Grove Church Will Rebuild

A church conference of the Lynn Grove Methodist Church was held at the Lynn Grove High School last week with the pastor Rev. Owen presiding.

The building committee presented a plan to be voted on by the congregation. It was voted to erect a red brick structure similar in design to the former building which burned about one month ago. The floor plan includes a sanctuary, five class rooms, a kitchen, rest rooms and storage space.

The finance committee met on Friday night to formulate plans for launching the \$26,000 campaign necessary to cover cost of the building and furnishings. The entire membership will be contacted within the near future for pledges.

Actual construction should be started within a few weeks. Earl Douglas is chairman of the finance committee.

23 Cardinals Are Named By Pope

By DANIEL F. GILMORE
United Press International

VATICAN CITY (UPI) — Pope John XXIII named 23 new cardinals today to raise the strength of the Sacred College of Cardinals to an unprecedented 75. The Pontiff called a Vatican consistory for Dec. 15 when the new cardinals will be invested with their red hats.

He named two new American cardinals: Msgr. John O'Hara, archbishop of Philadelphia, and Msgr. Richard James Cushing, archbishop of Boston.

The new cardinals were named shortly after the Pontiff named Msgr. Domenico Tardini as Vatican secretary of state. He had been acting in that position for some time.

Msgr. Giovanni Montini, the archbishop of Milan, was among the cardinals elevated to the rank of cardinal. Montini had won fame for his work against the Communists in that industrial area of Italy.

After attending one year at the University of Kentucky, he obtained his medical degree from the Tulane University School of Medicine in New Orleans in 1950.

Callas Fans Rally Around Ousted Star

MILAN, Italy (UPI) — A Callasian underground sprang up here today to plot the return of Maria Callas to La Scala Opera House, which has dropped her name from its official roster for the new season.

La Scala, mecca of the opera world, thus joined major opera houses in New York, Chicago, San Francisco, Edinburgh, Vienna and Rome in firing the tempestuous-Brooklyn-born soprano.

Miss Callas' many fans rallied to her cause today and were reported planning some sort of demonstration against the management when the new season opens officially on Dec. 7.

Though loyal to her, the Callasians were hardly surprised at La Scala's action since she had hurled angry charges against the La Scala management earlier this year. But still they were plotting some way of returning her to the La Scala stage — if possible.

The row with La Scala was sparked by Miss Callas' "flight from Edinburgh" in September, 1957, when she suddenly left for Venice while hundreds of her fans were queuing up to buy tickets.

The management has refused to comment on the Edinburgh row. The temperamental singer told the Milan magazine Oggi at the time the management had booked her for four performances in Edinburgh and that she left when they tried to run in a fifth.

Since then the incident snowballed in to a series of minor incidents involving herself and Antonio Chiringhelli, the white-haired, soft-spoken superintendent.

Body Of Power On Way To America

MAIDRID (UPI) — The body of movie star Tyrone Power makes the melancholy last journey back to the United States today.

His widow paid a long goodbye Sunday night to the handsome stage and screen idol who died suddenly Saturday of a heart attack.

Mrs. Power, the former Debbie Anne Minardo, who is expecting a baby early next year, will accompany the body on the flight. She slipped away from her friends Sunday night and spent more than an hour at the side of her husband's body.

"She said nothing to anyone," a friend said. "She simply wanted to be alone with him. It may be her last chance like this."

A simple memorial service for the late actor, who at 44 suffered the attack while filming a scene from the movie "Solomon and Sheba," was held Sunday in the chapel of the American Air Force base outside the Spanish capital.

A spokesman for the film company said burial plans had not yet been completed. However, he said Power's friends believed the body would be interred at the Forest Lawn Cemetery outside Los Angeles.

In Hollywood, Yul Brynner agreed Sunday to take over Power's role in the 6-million-dollar movie. A spokesman for the film said he would leave for Spain next week after he completes the final scenes for "The Sound and The Fury."

Soviet Forces Pass American Truck Convoy

BERLIN (UPI) — Soviet forces passed an American truck convoy through checkpoint outside West Berlin without trouble today at the place where another U. S. Army convoy was held up last Friday.

The convoy of two trailer trucks and one jeep was sent out to test Soviet blockade intentions. The Soviet did not insist on searching the trucks as they did on Friday.

The swift passage today indicated to American officials here that the Soviets do not at present intend to interfere with Western Allied military traffic.

Only Partial Test

However, today's move was only a partial test of Soviet plans.

The three trucks refused passage to the West and detained for 8 1/2 hours on Friday were closed trucks. Today's were open trucks.

On Friday, the Soviets said that covered trucks in which the cargo cannot be seen must be inspected.

Passage of the "convoy" today continued to ease tensions here, although no one believed the crisis over the West's position in Berlin was over.

The situation remained so serious that President Eisenhower was meeting today in Washington with David K. E. Bruce, U.S. ambassador to West Germany.

The situation is expected to be clarified when Soviet Premier Nikita Khrushchev issues a new statement on Berlin sometime in the near future. In the meantime, Prava accused the West of turning Berlin into a "powder keg" and denied the Western assertion their occupation was based on the terms of the Potsdam agreement.

Despite the steady stream of Communist propaganda, these developments indicated an easing of the situation.

West Berlin Mayor Willy Brandt said in a radio address Sunday night the announced Western determination to hold the threatened city by force has averted a new blockade. He said, "I do not believe that we are about to have a dramatic development."

The East German Communists forgot about the Berlin situation long enough Sunday to hold one of their one-ticket elections for a parliament that can only rubber stamp Communism.

At the committee meeting Saturday, Ellis expressed his confidence to his co-workers, Willy Churchill and Fred Shultz, the county co-chairmen, publicly director, Gene Dandoli, secretary-treasurer, Mary Pace and the advance gift committee, for the outstanding service they had rendered. Much of he credit for the success of this campaign should be attributed to the efforts of these people, he said.

I offer my sincere thanks to the fine group of 84 solicitors for their most worthwhile efforts in contacting individuals and business firms for contributions to this important community cause and to all those who made contributions or otherwise supported the cause of the United Fund, the chairman continued.

One of the most pleasant aspects of serving as chairman has been the willingness of civic-minded individuals to serve and work in any capacity needed, Mr. Ellis concluded.

nist Party decisions. Voters were marched to the polls, given a ballot and told to drop it in the box. There was no yes or no and every vote meant a vote for the Red regime. Persons who did not vote were warned they would find themselves in trouble. The Communists were expected to announce another 99 per cent victory.

The East German Communists were disclosed to have released an American tourist, George S. Milroy, 29, of Ann Arbor, Mich., whom they had threatened to try as a "spy" because he photographed a victory monument. His release was an admission that the Communists again were unsuccessful in trying to force the U.S. government to negotiate with him on equal terms.

Donations Push UF Drive Over The Goal

More than \$900 donated by citizens of Calloway County pushed the United Fund Drive over its goal of \$20,000 according to an announcement made Saturday by the fund committee. Randall Patterson and Lesley Nanny, county co-chairmen expressed their appreciation for the work and co-operation of the community chairmen and solicitors and their gratitude to the Calloway citizens for their donations.

Fund Drive Chairman, Harvey Ellis, stated that he was pleased that the '59 UF goal had been reached and indicated that he felt that this had only been made possible through the sincere, devoted efforts of a large number of civic-minded individuals of Murray and Calloway County.

At the committee meeting Saturday, Ellis expressed his confidence to his co-workers, Willy Churchill and Fred Shultz, the county co-chairmen, publicly director, Gene Dandoli, secretary-treasurer, Mary Pace and the advance gift committee, for the outstanding service they had rendered. CHURCH SPEAKS UP

If the average person were asked what two major political issues the church has supported in the twentieth century he would undoubtedly say national prohibition and integration of the white and colored races in public schools, transportation and in public buildings and places of worship.

When we consider the fact these two innovations, or major changes in our way of life, have been accompanied by more violence than anything since the Civil War we wonder just why the church has felt impelled to inject itself into these two issues, which were conceived abroad and introduced into our society deliberately as irritants, when there are so many other domestic problems which are less controversial, and which the church could tackle with prospects of greater success.

For instance: within a generation we have witnessed the Sabbath desecrated almost to the point of total disrespect, and we have heard very little protest from the church. If the same attention were given this gradual change which has taken place as the church has given the problems of alcohol and integration our Puritan Fathers would sit up in their graves and applaud us.

Another evil that has grown up within a generation is disrespect for the church, accompanied by a growing disrespect for the ministry. Ever so often we hear of a minister being thrown in jail because he is considered in violation of a state segregation law, or for some other alleged offense, or cited for contempt because he refuses to give testimony in court which he received in confidence.

It is, therefore, refreshing to read the UPI dispatch that the Tennessee Baptist Convention has protested over military reservist training on Sunday, and urged the adoption of a law by the next legislature to give clergymen immunity from giving testimony in court which they receive in confidence in spiritual counseling.

The president of the Southern Baptist Convention, Representative Brooks Hays of Little Rock, Arkansas, recently stated in a magazine article that he favors voting on Sunday because it would increase the number of votes cast. He gave a long list of voting figures in various countries which observe the Sabbath as election day, each showing larger proportions of the adults casting votes.

The flaw in Mr. Hays' argument in favor of Sunday voting is that France leads all countries in voting, and it hasn't been able to elect a stable government in forty years. And in our own country the largest vote is invariably cast in communities where political machines are in operation, and they nearly always elect corrupt governments. Kansas City, Memphis, Tammany Hall in New York, Boston, and numbers of other such corrupt machines could be mentioned.

In recent years we measure everything, even church membership, by numbers. Maybe if we pay more attention to quality, and less to quantity, even in our human resources, we will make more progress. We can certainly make none by going backward, lowering educational standards through integration, or otherwise, or by voting, or training soldiers, on Sunday. And it is certainly encouraging that one of our leading denominations is speaking up on some of our greatest domestic problems.

Racers Lose To Evansville On Saturday

The Murray State Racers lost their fourth straight game Saturday night as the Evansville Purple Aces turned the trick 27-8 in Evansville.

The Aces ran out to a 20-0 lead in the second quarter and was never in much doubt of the victory. The Evansville crew broke from a spread "T" offense which the defense, operating without the services of star guard Willie Hickerson, could not solve.

Hickerson was hurt in the Middle Tennessee game last week. End Gordon Perry and tackle John Daniel also did not get in to the game due to injuries.

Evansville took the opening kickoff and marched to the Murray 25 before Murray's Dick Vincek intercepted a pass and stopped the drive. On the second play after the interception, Vincek broke through the Evansville line for 48 yards to the Aces 24. However, four plays netted nothing and Evansville took over.

Late in the quarter Murray was set back to their own three partly because of a good Evansville punt and partly because of a long loss by a Murray back. The Breds punted out to the 40 and it was run back to the 32.

Four plays later a pass found its mark in the end zone and after the conversion the Aces led 7-0.

In the final minute of the period, a Murray fumble gave the ball to the Aces on the Bred 40.

After the second play of the second period the score was 13-0. Late in the period another fumble gave the ball to the Aces on the Murray 38. This time it took the Aces only three plays with the scoring play being a 32 yard pass. The kick was good and Evansville led 20-0.

Murray's one touchdown came with 1:24 to go in the half. Guard Jimmy Chapman recovered a Evansville fumble on the 16 to set up the score. Quarterback Wade Harper threw one incomplete pass in the end zone and on second down Harper found Bill Schade in the end zone for the score. Harper over for the conversion so Murray trailed 20-8.

Murray could get no further than their own 25 yard line in the third quarter. The Aces started a march in the final minute of the period but the Murray line held on—the ten yard line.

The visiting Murray squad slipped into a 26-12 lead that the Black Cats were never able to overcome as they fell behind 47-32 at halftime and 72-56 at the end of the third period.

Fulham rallied in the closing stanza, but was short by four points at the close of the contest.

Jerry Shroat poured in 34 points in leading the team to victory. Larry Stewart was high for the Black Cats with 23 points and Dean was close behind with 20.

Lynn Grove Loses To Red Devils 78 To 53

Lynn Grove took it on the chin for the sixth game in a row as the Cats fell to a host Clinton five, 78-53, Friday night.

The Central High Red Devils moved into a 20-9 first quarter advantage and held the upper hand all the way in downing their foe. Lynn Grove trailed by twelve points, 37-25, at halftime but Clinton moved away with a burst of power in the third stanza.

Racers Lose To Evansville On Saturday

The Murray State Racers lost their fourth straight game Saturday night as the Evansville Purple Aces turned the trick 27-8 in Evansville.

The Aces ran out to a 20-0 lead in the second quarter and was never in much doubt of the victory. The Evansville crew broke from a spread "T" offense which the defense, operating without the services of star guard Willie Hickerson, could not solve.

Hickerson was hurt in the Middle Tennessee game last week. End Gordon Perry and tackle John Daniel also did not get in to the game due to injuries.

Evansville took the opening kickoff and marched to the Murray 25 before Murray's Dick Vincek intercepted a pass and stopped the drive. On the second play after the interception, Vincek broke through the Evansville line for 48 yards to the Aces 24. However, four plays netted nothing and Evansville took over.

Late in the quarter Murray was set back to their own three partly because of a good Evansville punt and partly because of a long loss by a Murray back. The Breds punted out to the 40 and it was run back to the 32.

Four plays later a pass found its mark in the end zone and after the conversion the Aces led 7-0.

In the final minute of the period, a Murray fumble gave the ball to the Aces on the Bred 40.

After the second play of the second period the score was 13-0. Late in the period another fumble gave the ball to the Aces on the Murray 38. This time it took the Aces only three plays with the scoring play being a 32 yard pass. The kick was good and Evansville led 20-0.

Murray's one touchdown came with 1:24 to go in the half. Guard Jimmy Chapman recovered a Evansville fumble on the 16 to set up the score. Quarterback Wade Harper threw one incomplete pass in the end zone and on second down Harper found Bill Schade in the end zone for the score. Harper over for the conversion so Murray trailed 20-8.

Murray could get no further than their own 25 yard line in the third quarter. The Aces started a march in the final minute of the period but the Murray line held on—the ten yard line.

New Concord Redbirds Down Lipscomb Saturday Night 88-63

Superior height and rebounding enabled the New Concord Redbirds to triumph over the David Lipscomb Mustangs 88-63 Saturday night in the Redbird gym.

The victory avenged the only Concord defeat of the season, a 68-64, dusting at the hands of the Mustangs two weeks ago in Nashville.

New Concord jumped into an early 20-13 first period lead and romped on to victory with

eight Redbirds entering the scoring columns and three in double figures. The Redbirds led 51-31 at halftime.

Eugene Rowland, big 6-4 forward, led the New Concord attack with 23 points. Joe Green tossed in 19 markers and David Finney tallied 18.

Harwell, Mustang center, paced the visitors with 19 points. It was the Redbirds third win

of the season.

STEINBECK ATTACKS REDS MUNICH, Germany (UPI) — American novelist John Steinbeck, in a message broadcast to the Communist satellite nations Monday, called Russian critics of author Boris Pasternak "the pallbearers of Soviet literature."

It was during the Mexican War from 1846 to 1848 that an unknown U.S. Marine wrote the lines, "From the hall of Montezuma to the shores of Tripoli."

Although official Weather Bureau records date back only 70 years, precipitation figures were recorded near Harvard College as long ago as 1715 and barometric readings were documented in Boston in 1725 and 1726.
